## TEMPERATURE

The temperature in Egypt is very hot in the day and very cold at night. Egypt has two seasons. A hot winter from Nov. to April and a hot summer from May to Oct. The average temp is 81 degrees.

## ATTRACTIONS

There are many things to do and see, such as the beautiful The Sphinx, take a camel ride at sunset to the massive pyramids, take a trip to the Sphinx or how about a beautiful boating ride, while eating dinner at the Nile, while cruising across the beautiful Nile. Watch out for crocodiles!

## TRANSPORTATION

Includes many certain type of animals, people etc. Some people ride camels to work, or donkeys, maybe even some oxen. Most people just use cars or taxis. If you live in the papyrus, you ride by boat. The main way of transportation is to travel by boat. Boat is very quick, and it's fun to enjoy the view.

## LANGUAGE

Ancient Egyptian language that was spoken in ancient Mesopotamia.
